

# BEYOND CONFLICT

## Sustaining Economic Viability in the Working Wild

Jon Kakuk - unsplash

Join us virtually for three engaging days with land stewards seeking solutions around large carnivore conflict reduction with partners from the Conflict on Working Lands Conservation Innovation Grant and Conflict Reduction Consortium.

**SAVE THE DATE: November 8-10, 2021**  
11 am - 5 pm Mountain Time\*

Nov 8 - Conflict on Working Lands (COW)  
**Conservation Innovation Grant Workday**

Nov 9 - Integrated Approaches for Success in Comprehensive Conflict Reduction - The 4C's: Compensation, Conflict Prevention, (lethal) Control, and Collaboration  
**Conservation Innovation Grant Partners and Conflict Reduction Consortium Members Welcome**

Nov 10 - Collaboration within Polarized Environments  
**Conflict Reduction Consortium Workday**

*\* Detailed agenda coming soon with a registration link. Some portions each day may be open to the public, times may vary slightly.*
