LEAVE A LEGACY THROUGH
PLANNED GIVING

Make plans today to protect our working lands

Leaving a gift to the Western Landowners Alliance in your will or trust, by beneficiary designation, or another form of planned gift will make a lasting difference to our work for generations to come. Many gifts cost you nothing now, there is no minimum contribution, and you are not locked into a decision you make today.

Charitable gifts help you meet your current philanthropic goals and extend your generosity well into the future. But did you know that a planned gift can also protect your assets, provide for your family, and guarantee you income for life?

There are many options to leave a lasting legacy to the Western Landowners Alliance. Some are very simple and others are more complex. They include:

- Your will or living trust
- Retirement Accounts such as an IRA, 401K or 403B
- Life Insurance - as a designated beneficiary
- Charitable Gift Annuities
- Appreciated Stock
- Real Estate
- Donor Advised Funds
- Lead Trusts

Heritage Club Membership

The Heritage Club recognizes our members who have generously named the Western Landowners Alliance as a beneficiary in their estate plans. A simple "Statement of Future Gifts" is requested. If you would like to learn how you can leave a legacy to the Western Landowners Alliance, or if you have already included WLA in your plans, please contact us so that we may welcome you into the Heritage Club.

Each new member will receive a Heritage Club welcome kit and will receive special invitations to forums, trips, ranch tours and annual regional gatherings.

In addition to these small expressions of gratitude, we hope you will allow us to recognize you as a founding member of the Heritage Club.

If you wish to name the Western Landowners Alliance in your will or estate plan, we should be named as: Western Landowners Alliance, a nonprofit corporation, organized and existing under the laws of Colorado, with principal business address of P.O.
